

# Fact Sheet

## Company Profile

Global Bio-chem Technology Group Company Limited (“Global Bio-chem”, stock code:00809.HK) is a leading vertically integrated corn-based biochemical products manufacturer in the PRC. Headquartered in Hong Kong, Global Bio-chem located its major production facilities in the golden corn belt of China, namely Jilin Province, Liaoning Province and Heilongjiang Province. Global Bio-chem is principally engaged in the manufacture and sale of corn refined products. Global Bio-chem is also the parent company of Global Sweeteners Holdings Limited (stock code: 03889.HK), one of the largest corn sweeteners producers in the PRC.
